# School Report

---

The Schools for the past year have been taught very satisfactorily by the following teachers. At the North School the spring term was taught by Mr. Myron Richardson, of Newburyport, Mass.

The fall and winter term by Miss Wilma Curtis, a normal graduate. Miss Curtis was obliged to resign about the middle of the winter term, on account of illness, and the balance of the term was taught by Miss Agnes Hurley, of Portsmouth.

At the East School Miss Carrie Robie taught the entire year, giving excellent satisfaction to both parents and school board. The West school was taught by Miss Ruth Evans, a graduate of Amesbury High School who did excellent work. The East School is badly in need of new seats, a new floor and minor repairs as well as small repairs at the West School. A new wood shed would be much appreciated at the North School.
